I will call upon your name
And keep my eyes above the waves
When oceans rise my soul will rest in your embrace
For i am yours (and you adapted me) And you are mine

(Bridge:) B A D
Right now we need you
We can't do it without you (We can't do it without you)
Right here right now (yes)
Someway, somehow

B
Right now we need you
We can't do it without you
Right here right now
Someway, somehow

B A D G
Right now i need you
We can't do it without you
Right here right now
Someway, somehow

I will call upon your name
And keep my eyes above the waves
When oceans rise my soul will rest in your embrace
For i am yours (and you adapted me) And you are mine

You call me out upon the water

To great unknown where feet may fail
And There i find you in the mystery In oceans deep
My faith will stand (And this is what i do)

And i will call upon your name
And keep my eyes above the waves
When oceans rise my soul will rest in your embrace
For i am yours (and you are) And you are mine

Your grace abounds in deepest waters
Your sovereign hand will be my guide (thank you)
Where feet may fail and fear surrounds me
You've never failed and you won't stop now (hallelujah)

So i will call upon your name
And keep my eyes above the waves
When oceans rise my soul will rest in your embrace
For i am yours (and you adapted me) And you are mine

Spirit lead me where my trust is without borders
Let me walk upon the waters
Wherever you would call me (yes)

Take me deeper than my feet could ever wander (deeper)
And my faith will be made stronger in the presence of my saviour

Spirit lead me where my trust is without borders
Let me walk upon the waters
Wherever you would call me

Take me deeper than my feet could ever wander
And my faith will be made stronger in the presence of my saviour (come on)

(Bridge:)

Right now we need you
We can't do it without you (We can't do it without you)

Right here right now (yes)
Someway, somehow
Right now we need you
We can't do it without you
Right here right now
Someway, somehow
Right now i need you
We can't do it without you
Right here right now
Someway, somehow

I will call upon your name
And keep my eyes above the waves
When oceans rise my soul will rest in your embrace
For i am yours (and you adapted me) And you are mine
